

**SPECIFICATION AMENDMENT**

Paragraph from Page 4, Lines 15 to 16 is revised and replaced as follows:

Fig. 1 is a ~~[[conventional]]~~ new concept of Korean barbeque grill employing a bamboo grid set of the present invention.

At Page 5, Line 23, a Paragraph is added as follows:

Fig. 17 is a conventional Korean barbeque grill employing a metal grid set.

Paragraph from Page 6, Lines 16 to 19 is revised and replaced as follows:

~~[[As shown in Fig. 1]]~~ Referring to Fig. 17, a Korean traditional barbeque (BBQ) grill (10) comprises an oven lower part (11) under a dining table (16), a ~~[[pair of]]~~ burning charcoal container~~[[s]]~~ as the primary heat sources (12), a cover or lid (13), an oil or liquid droplet collecting pan (14), a metal cooking grid (15) and a ventilation system (17).

At Page 6, between Line 19 and Line 20, a Paragraph is added as follows:

However as shown in Fig. 1, a new design of a Korean barbeque (BBQ) grill (25) comprises an oven lower part (26) under a dining table (16), a pair of burning charcoal container as the primary heat source (27), a cover or lid, an oil or liquid droplet collecting pan (28), a bamboo grid (30) and a ventilation system (29).
